Assistance & Support

Our goal is your success.

We are here to assist you with a variety of concerns by working directly with you and connecting you with the resources you need on campus. We also serve as one of several resources for parents, families, and friends as we work to serve all of our students.

We can:

- Support you through difficult circumstances and offer continued support throughout your time as a student
- Help you navigate and connect to campus and community resources
- Advise and assist you in communicating with your instructors when you are dealing with a crisis
- Assist if you experience or witness a bias or hate incident on or off campus
- Assist if you are the victim of a crime on or off campus, including helping report the crime to police, if you choose to do so
- Help you with a short-term crisis loan due to an unexpected life event or unforeseen circumstance
- Support and be a resource for you if you don't know where to start or go for assistance

We have drop-in staff ready to assist,
