Resolution/Motion Title: Proposal to Amend Faculty Legislation II-323 (UW-870) Policies and Procedures Governing Access to Electronic Files to Update Language

Faculty Document 3108
Sponsor: University Committee
Vote on document: November 6, 2023

Individuals/Committees Consulted: Office of Legal Affairs, Provost

Background/Purpose:
In fall 2021, an ad hoc committee was formed to look at revising Faculty Legislation II-323, which was written in the early 1990s. The committee included representatives from the Office of Legal Affairs, DoIT, Office of Workforce Relations, faculty and academic staff members. They met several times through the spring of 2022. The revised document put forward by the committee removes all the policy language from the legislation because an analysis found it to be duplicative of an existing UW System policy. There are heavy revisions to the procedures part of the document, but the fundamental pathway that would be followed to get access to files is unchanged from the current policy. Changes were made to bring language up to date and to make the process easier to follow. No changes were made to the document since the first reading.
